Updated Statements of Legal Authority To Reflect Continuation of Emergency Declared in Executive Order 12938

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: This rule updates the Code of Federal Regulations (CFR) legal authority citations for the Export Administration Regulations (EAR) to replace citations to the President's Notice of November 4, 2010, *Continuation of Emergency Regarding Weapons of Mass Destruction*, with citations to the President's Notice of November 9, 2011 on the same subject. BIS is making these changes to keep the CFR's legal authority citations for the EAR current.

SUPPLEMENTARY INFORMATION:

Background

In Executive Order 12938 of November 14, 1994 (59 FR 59099, 3 CFR, 1994 Comp., p. 950), the President declared a national emergency with respect to the unusual and extraordinary threat to the national security, foreign policy and economy of the United States posed by the proliferation of nuclear, biological and chemical weapons and the means of delivering such

weapons. That emergency has been continued in effect through successive annual presidential notices. The authority for parts 730, 734, 736, 742, 744 and 745 of the EAR (15 CFR parts 730, 734, 736, 742, 744 and 745) rests in part on E.O. 12938, as amended, and on the successive annual notices continuing the emergency. This rule revises the authority citations in those parts of the CFR to cite the notice of November 9, 2011, which is the most recent such annual Presidential notice, and to remove the citation to the notice of November 4, 2010 on the same topic.

BIS is making these revisions so that title 15 of the CFR will cite the current authority for the parts mentioned above. This rule is purely procedural, and makes no changes other than to revise CFR authority citations paragraphs. It does not change the text of any section of the EAR, nor does it alter any right, obligation or prohibition that applies to any person under the EAR.

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). This rule does not impose any regulatory burden on the public and is consistent with the goals of Executive Order 13563. This rule has been determined not to be a significant rule for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995 (PRA), 44 U.S.C. 3501 *et seq.*, unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This rule does not involve any collection of information.

3. This rule does not contain policies with Federalism implications as that term is defined under Executive Order 13132.

4. The Department finds that there is good cause under 5 U.S.C. 553(b)(3)(B) to waive the provisions of the Administrative Procedure Act requiring prior notice and the opportunity for public comment because they are unnecessary. This rule only updates legal authority citations and is nondiscretionary. This rule does not alter any right, obligation or prohibition that applies to any person under the EAR. Because these revisions are not substantive changes, it is unnecessary to provide notice and opportunity for public comment. In addition, the 30-day delay in effectiveness required by 5 U.S.C. 553(d) is not applicable because this rule is not a substantive rule. Because neither the Administrative Procedure Act nor any other law requires that notice of proposed rulemaking and an opportunity for public comment be given for this rule, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable.
